Dear Mayor Robinson:

We are submitting for your approval a digest of bills thus far introduced during the 1949 session of the California State Legislature which in our opinion affect the City and County of San Francisco.

The digest has been departmentalized in order that department heads may more easily familiarize themselves with legislation which affects their department. However, we wish to call the attention of department heads to bills listed under the heading "Bills of General Interest". All legislation recommended by you and the Board of Supervisors was introduced in January co-authored by the San Francisco Assembly delegation headed by Chairman George D. Collins, Jr. Companion bills were introduced in the Senate by Senator Gerald J. O'Gara.
